Risk analysis of loss of good repute

(menu: Reports -> Risk analysis of loss of good repute)

- The formula of calculating the risk of loss of good repute for controls created from 23rd May 2022, in accordance with the Commission Regulation (EU) 2022/694 has been updated. The risk of loss of good repute will be calculated by the number of vehicles, not drivers.

Classification of infringements

(menu: Reports -> Infringements and manipulations)

- The classification of infringements has been updated for the infringements ending from 23rd May 2022, in accordance with the Commission Regulation (EU) 2022/694. The following infringements: **No return to member state of establishment or driver's home country for a weekly rest** and **Regular weekly rest taken in a vehicle** will be classified as VSI.

Infringement description

(menu: Reports -> Infringements and manipulations)

- The description of the infringement of **reducing daily rest period** has been updated.
